SHORT-TERM: REWARDS

We stand out in community rewards by offering an impressive **50% PAYOUT**

RISK MODEL: **LOW** ✓

- Our Reward Plan is the **most profitable ever in Community Marketing**
- We **pay out weekly** and have done so successfully **every week for over 125 weeks and continuing**
- Your **Earnings are not capped** you can earn as much as you want, and we want our community to be the biggest Earners in this space

**With us, rewards have created a better life for everyone!
1000's have earned with our system and we have multiple
6 figure earners!**

**ALREADY PAID OUT
OVER \$4,000,000**

MID-TERM: PROFIT SHARE

Our capital works for us!!!

RISK MODEL: *Speculative to Highly Speculative* ⚠️

- **20% of company turnover** invested in top 10 promising cryptocurrencies each quarter, after 4 months investments are sold and profit share dividend paid out
- Aim: **50% – 200% return** on investment every 4 months
- Holding PNGVN tokens grants **3 profit share dividend payouts** annually
- More tokens = **bigger profit** share dividends

Build your portfolio for higher quarterly returns

**ALREADY PAID OUT
OVER \$1,500,000**

LONG-TERM: PNGVN TOKEN

The value of **80** Companies in ONE single token

RISK MODEL: **LOW** ✓

- The PNGVN token is secure as it is **backed by investments** in a thriving market
- One PNGVN token gives you **80 crypto company investments** all in one place
- The PNGVN token allows you to **build your crypto portfolio** in the easiest way
- As an **ERC20 token** on the Ethereum blockchain, it follows the best protocols with a fixed supply that helps us track performance
- The **more tokens you own, the bigger your share** of the earnings

Although the PNGVN token is tradable, its true value lies in **long-term holding**. Investors in PNGVN should **focus on future earning projections** - like any great asset, it's best to hold for the long run.

**ALREADY INVESTED
OVER \$2,000,000**

SOURCE OF CAPITAL: **BRAND-BUILDING NFTs**

Our product the Sophisticated PNGVN is an **NFT ON STEROIDS!**

- This groundbreaking functional NFT empowers you to **Earn, Learn, and Grow.**
- It offers **active, passive, and long-term growth** income.
- NFTs are the future of WEB3, and we are already seizing this opportunity.
- Each NFT purchased comes with **gifted PNGVN tokens** and a fantastic business opportunity.

Join our growing community for an extraordinary journey unlike anything you've experienced before!

MARKET SHARE

Covers **78.66%** of this market's capitalisation

18% of our invested capital is in this sector

An index is a way to track the performance of a group of investments, similar to a collection of stocks.

The PNGVN Index takes this a step further by **investing 25%** of our total turnover into a diverse mix of NFTs, cryptocurrencies, and AI. We've carefully chosen **80 leading companies** in these fast-growing sectors, giving you access to cutting-edge technologies.

Our index is equally weighted to **reduce risk** and is actively managed by experienced experts. With a focus on larger companies and an **expected growth of 600% over the next 3-5 years**, the PNGVN Index offers a **strong long-term investment option**.

COMPANY

The PNGVN Company is dedicated to serving **YOU**, and we've streamlined our expenses to just **5%**

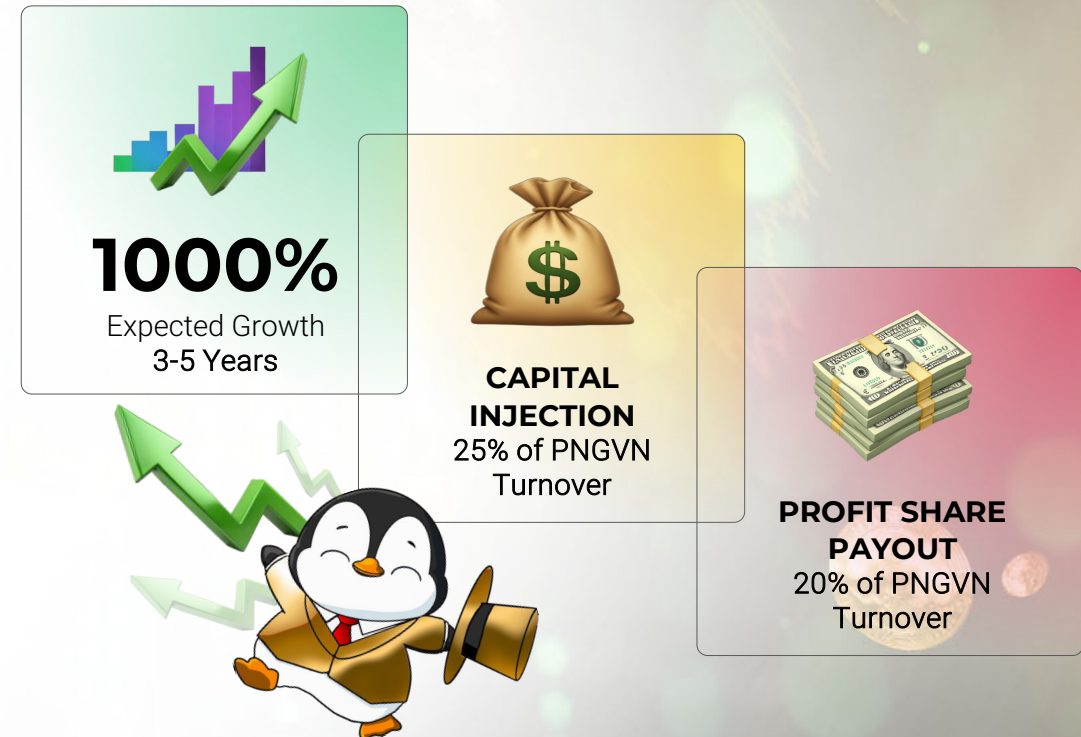

- This means a **remarkable 95% of our revenue** goes straight back to our members and token holders - our community!
- Our mission is to manage and distribute your **money effectively**, supported by data and driven by a commitment to openness and transparency
- Every **first Sunday of the month**, we share all our Numbers in our Super Sunday webinar, ensuring you stay informed
- Plus, you can **track our Index** and Tokens live on the blockchain, reinforcing our accountability
- This commitment to our community **sets us apart** and empowers you to **join us** with confidence!

TRIPLE EFFECT

Our triple effect model is one of the most **POWERFUL FINANCIAL TOOL** available today!

WHY?

- We have a **fixed token supply** on the blockchain; our capital injections continue endlessly
- With **capital flows 24/7**, this fuels ongoing growth and stability
- Creates an explosive, sustainable growth forecasted at **1000%+** via compounding
- With Greater earnings this **boosts PNGVN token value** through rewards and portfolio growth
- This results in substantial quarterly profit share dividends, fostering a **cycle of wealth and opportunity**

THE PNGVN BACK OFFICE

Our state-of-the-art WEB3 back office is the ultimate tool for you to manage and grow your business **yours for no extra cost** when you join our family!

- **Fully compliant with WEB3** your back office secures all your business activity and is available in multiple languages
- With your **own sponsor link** your referrals and team will join your business with the click of a button.
